

**POZAGAS a.s.**

## **INDEPENDENT AUDITOR'S REPORT**

To the Shareholders, Supervisory Board and Board of Directors of POZAGAS a.s.:

### **REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

#### **Opinion**

We have audited the financial statements of POZAGAS a.s. (the "Company"), which comprise the balance sheet as at 31 December 2022, and the income statement, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2022, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS) as adopted in the European Union (EU).

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the provisions of Act No. 423/2015 Coll. on Statutory Audit and on Amendment to and Supplementation of Act No. 431/2002 Coll. on Accounting, as amended (hereinafter the "Act on Statutory Audit") related to ethical requirements, including the Code of Ethics for Auditors that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter**

We draw attention to Note 2.2 to the financial statements stating that the Company changed its accounting policy regarding the measurement of the items of property, plant and equipment to the revaluation model. As stated in Note 2.2 to the financial statements, the initial remeasurement was performed as at 31 December 2022. The financial information disclosed in these financial statements for previous reporting periods has not been adjusted to reflect this change to the accounting policy and to be comparable with the carrying amounts presented for 2022, and is in compliance with the requirements of International Financial Reporting Standards. Our opinion is not modified in respect of this matter.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS as adopted in the EU, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

This is a translation of the original auditor's report issued in the Slovak language to the accompanying financial statements translated into the English language.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms, and their related entities (collectively, the "Deloitte organization"). DTTL (also referred to as "Deloitte Global") and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see [www.deloitte.com/sk/en/about](http://www.deloitte.com/sk/en/about) to learn more.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance about, inter alia, the planned scope and time schedule of the audit and significant audit findings, including all material deficiencies of internal control identified during our audit.

#### REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

##### Report on Information Disclosed in the Annual Report

The statutory body is responsible for information disclosed in the annual report prepared under the requirements of the Act on Accounting No. 431/2002 Coll. as amended (the "Act on Accounting"). Our opinion on the financial statements stated above does not apply to other information in the annual report.

In connection with the audit of financial statements, our responsibility is to gain an understanding of the information disclosed in the annual report and consider whether such information is materially inconsistent with the financial statements or our knowledge obtained in the audit of the financial statements, or otherwise appears to be materially misstated.

We assessed whether the Company's annual report includes information whose disclosure is required by the Act on Accounting.

Based on procedures performed during the audit of the financial statements, in our opinion:

- Information disclosed in the annual report prepared for 2022 is consistent with the financial statements for the relevant year; and
- The annual report includes information pursuant to the Act on Accounting.

Furthermore, based on our understanding of the Company and its position, obtained in the audit of the financial statements, we are required to disclose whether material misstatements were identified in the annual report, which we received prior to the date of issuance of this auditor's report. There are no findings that should be reported in this regard.
