

# INDEPENDENT AUDITOR'S REPORT

*To the partner and statutory body of UNI - TECH, s.r.o.,  
Robotnícka 2142/78, 017 01 Považská Bystrica*

## **Report on the audit of the separate financial statements**

### **Opinion**

We have audited the separate financial statements of UNI - TECH, s.r.o. (the "Company"), which comprise the separate statement of financial position as at 31 December 2024, and the separate statement of comprehensive income, the separate statement of changes in equity and the separate statement of cash flows for the year then ended, and notes to the separate financial statements, including material accounting policy information and other explanatory information.

In our opinion, the accompanying separate financial statements give a true and fair view of the financial position of the Company as at 31 December 2024, and its financial performance and its cash flows for the next year then ended in accordance with Act No. 431/2002 Coll. on accounting as amended (hereinafter referred to as the "Act of Accounting").

### **Basis for the opinion**

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Separate Financial Statements section of our report. We are independent of the Company in accordance with the provisions of Act No. 423/2015 Coll. on Statutory Audit and on Amendment to and Supplementation of Act No. 431/2002 Coll. on Accounting, as amended (hereinafter the "Act on Statutory Audit") related to ethical requirements, including the Code of Ethics for Auditors that are relevant to our audit of the separate financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Other Matter**

The separate financial statements of UNI - TECH, s.r.o. for the year ended 31 December 2023 were audited by another auditor who expressed an unmodified opinion on the separate financial statements on 30 April 2024.

### **Responsibilities of Statutory Body and Those Charged with Governance for Separate the Financial Statements**

Management is responsible for the preparation and fair presentation of the separate financial statements in accordance with Act of Accounting and for such internal control as management determines is necessary to enable the preparation of separate financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the separate financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Separate Financial Statements**

Our objectives are to obtain reasonable assurance about whether the separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these separate financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the separate financial statements, including the disclosures, and whether the separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance about, inter alia, the planned scope and time schedule of the audit and significant audit findings, including all material deficiencies of internal control identified during our audit.

## Report on the other legal and regulatory requirements

### Report on Information Disclosed in the Annual Report

The statutory body is responsible for information disclosed in the annual report prepared under the requirements of the Act on Accounting No. 431/2002 Coll. as amended (the “Act on Accounting”). Our opinion on the financial statements stated above does not apply to other information in the annual report.

In connection with the audit of financial statements, our responsibility is to gain an understanding of the information disclosed in the annual report and consider whether such information is materially inconsistent with the financial statements or our knowledge obtained in the audit of the financial statements, or otherwise appears to be materially misstated.

When we obtain the annual report, we will assess whether the Company’s annual report includes information whose disclosure is required under the Act on Accounting, and based on procedures performed during the audit of the financial statements, we will express an opinion on whether:

- Information disclosed in the annual report prepared for 2024 is consistent with the financial statements for the relevant year; and
- The annual report includes information pursuant to the Act on Accounting.

Furthermore, we will disclose whether material misstatements were identified in the annual report based on our understanding of the Company and its position, obtained in the audit of the financial statements.

Nemšová, 28 March 2025
