INDEPENDENT AUDITOR'S REPORT

To the Partner and Executive of Hyundai Transys Slovakia s. r. o.:

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Hyundai Transys Slovakia s. r. o. (the "Company"), which comprise the balance sheet as at 31 December 2025, and the income statement for the year then ended, and notes to the financial statements, including significant accounting policies and accounting methods and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2025, and its financial performance for the year then ended in accordance with Act No. 431/2002 Coll. on Accounting, as amended (the "Act on Accounting").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) in the wording as adopted by the Slovak Chamber of Auditors (hereinafter the "Code of Ethics for Auditors"), including the ethical requirements of Act No. 423/2015 Coll. on Statutory Audit and on Amendment to and Supplementation of Act No. 431/2002 Coll. on Accounting, as amended, as amended (hereinafter the "Act on Statutory Audit"), as applicable to audits of financial statements in the Slovak Republic. We have also fulfilled our other ethical responsibilities in accordance with the Code of Ethics for Auditors and the ethical requirements under the Act on Statutory Audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Act on Accounting, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

This is a translation of the original auditor's report issued in the Slovak language to the accompanying financial statements translated into the English language.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the statutory body about, inter alia, the planned scope and time schedule of the audit and significant audit findings, including all material deficiencies of internal control identified during our audit.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Report on Information Disclosed in the Annual Report

The statutory body is responsible for information disclosed in the annual report prepared under the requirements of the Act on Accounting. Our opinion on the financial statements stated above does not apply to other information in the annual report.

In connection with the audit of financial statements, it is our responsibility to gain an understanding of the information disclosed in the annual report and assess whether such information is materially inconsistent with the audited financial statements or our knowledge of the entity and its position obtained in the audit of the financial statements, or otherwise appears to be materially misstated.

We assessed whether the Company's annual report includes information whose disclosure is required by the Act on Accounting.

Based on procedures performed during the audit of the financial statements, in our opinion:

- Information disclosed in the annual report prepared for 2025 is consistent with the financial statements for the relevant year; and
- The annual report includes information pursuant to the Act on Accounting.

Furthermore, based on our understanding of the Company and its position, obtained in the audit of the financial statements, we are required to disclose whether material misstatements were identified in the annual report, which we received prior to the date of issuance of this auditor's report. There are no findings that should be reported in this regard.
