Timeline diagram showing the execution of the 'SEND' command. The timeline has major ticks labeled 1 through 10. Below the timeline, the command 'SEND' is broken down into its bytes: S(1), E(2), N(3), I(4), C(5), A(6). The first five bytes (S, E, N, I, C) have vertical bars extending from their respective positions to the right, ending at tick mark 10. The letter A is positioned below the timeline between tick marks 6 and 7.
