Dear Boris,

Thank you for sending me your project proposal for **PAWIKAN Marine Center** in Corong-Corong, El-Nido, Palawan, on behalf of the European Wildlife Preservation Fund, an NGO that you officially represent. I have been through it and it would be a great help for preservation of the endangered *pawikan* species and other marine life of Palawan waters in that it is a perfect combination of ECO-tourism and wildlife preservation. It seems like it is really a sustainable solution and this project could be a base stone and an example for others on how to preserve the wildlife in a sustainable manner. I am looking forward to receive the project in my PCSD office once it has gone through all the necessary procedures.

Yours,
